

OAG Cargo Guide

OAG Cargo Guide is a comprehensive book providing worldwide cargo flight schedules and valuable support when planning cargo routings. Updated monthly, every cargo flight is clearly listed to help you locate the best schedule for your shipment quickly and easily.

Every six months you also receive an updated Cargo Rules Supplement which includes country regulations, document requirements, aircraft restrictions and much more.

Designed for busy cargo professionals, OAG Cargo Guide provides easy access to comprehensive and unbiased cargo information in a clear and concise format.

Features:

- Contains over 56,000 direct and connecting worldwide flight schedules including cargo flights, wide-body passenger flights and road feeder schedules
- User friendly format with clear design layout
- Updated edition delivered every month
- Independent and unbiased information you can trust
- Search by carrier, connections, equipment and aircraft type
- Access airline, aircraft and city codes.
- Worldwide city directory and world time zone map
- International time calculator
- Contact details for worldwide airlines
- Bi-annual Cargo Rules Supplement included in your subscription

Benefits:

- Comprehensive coverage of worldwide flight schedules and cargo information
- Quick reference tool that is easy to use
